BUY YOUR NURSERY STOCK FROM A LOCAL NURSERY AND ENJOY THE DIFFERENCE

RETAIL PRICE LIST

FALL 1955-SPRING 1956

Field grown plants dug fresh to order.

We make no guarantee on any plants other than that they are true to name, and of size claimed, and in no case will we be responsible other than the purchase price of the plant.

Prices quoted are net, cash, for field grown plants, at the nursery. For delivery on retail orders of \$10.00 or more, add 20% to the purchase price.

NEW AUGUSTA NURSERY IS LOCATED ON WEST 59th STREET. Drive west on Kessler Boulevard, continuing west on 56th Street at Broadmoor Golf Course, to Moller Road (2nd road west of Big 4 R.R.). Turn north (right) to 59th Street (1st road) and go east (right) to Nursery.

For the convenience of those clients who have limited time outside business hours, we keep the nursery open on Saturdays and Sundays, 1:00 - 4:00 P.M. from September 1 to December 1 and from March 1 to June 15. Open on those days at other times and on evenings only by appointment.

Each fall we import a limited quantity of the best Holland bulbs obtainable. These are available about October 1. Tulips, Hyacinths, Crocus, Daffodils, Eranthis, etc., in variety. Ask for our special bulb list.

ROSES. Potted Hybrid Teas, polyanthas, climbers, etc., available in best varieties about May 10, 1956. Call or write for list.

ANNUALS. Ageratum, Asters, Celosia, Scarlet Sage, Snapdragon, Marigold, Sweet Alyssum, Zinnias, etc., in many varieties and colors. Available after May 15, 1956, in flats or by the dozen.

SPECIALTIES. In addition to the regular lists, we are trying to make available to a discriminating clientele, a number of the scarcer varieties and grades of shrubs and evergreens. Plants may be selected and marked ahead of planting season at no extra cost.

Thirty years of experience in the landscape and nursery business is available to you in solving your landscape problems, large or small.

Mr. Bareither, Landscape Architect, is available for plans and consultation.

This list cancels all previous prices.

We invite your inspection of our nursery. Our shrubs are planted far enough apart in rows so that they can grow into a shrub before you get them. Heavy, full topped plants, fresh dug to order. There is no comparison between these plants and the dried out dormant plants from storage. An excellent assortment for local climate and conditions.
